Dear Participant,

Please read the following directions carefully, and follow them as closely as possible so you can get the most out of this experience. The address for Wilson High School is **1151 SW Vermont St.**

A list of all performers from Cleveland is listed on the back of this page.

The original copy of the music for the judge should be given to the Room Monitor who will give it to the judge. Please make sure that the music is marked with both the school name and the name of the performer. Performers may tune and set up at the beginning of their scheduled time slot.
