## About the Band Program

The Cleveland High School Band program has developed a strong tradition of excellence in the last ten years. Since 2015 the program has continued to grow, both in quantity and quality, performing at the State Band Championships every year and placing in the top five the last four years. The Cleveland Marching Band has participated in the Rose Festival Starlight Parade for eight years, and in the Grand Floral Parade in 2024. The jazz program has also continued an upward trajectory, placing 4th, 2nd, and 3rd respectively the last three years at the State Jazz Band Championships. Most recently, the Cleveland High School Band program was awarded a 2025 National Band Association — West/Northwest Division Program of Excellence Blue Ribbon Award.

The Friends of Cleveland Bands group is a non-profit support organization that works to maintain and supplement the level of activity and excellence the band program offers. We endeavor to make music more accessible to ALL Cleveland students by covering competition entry fees, clinician fees, transportation costs, uniform maintenance, sheet music and instrument purchases, and so much more!

**The band is dependent on the volunteer efforts of parents, students, patrons and community sponsors like you!**

## Good for your Business, Good for the Students

Maintaining a superior high school music program like the Cleveland Band Program requires commitment from students, educators, parents and boosters. It also requires the financial support of generous sponsors. We ask for the assistance of local businesses and are pleased to offer a sponsorship program that provides benefits and loyalties to those businesses in return.

Wind, Symphonic and Concert ensembles rehearse throughout the school year, present four concerts and participate in competitions. In addition, members of the bands participate in the district and state solo and ensemble competitions.

Jazz Ensemble and Jazz Lab rehearse throughout the school year, perform at three concerts, several jazz festivals and at various community functions during the year.

Marching and Pep Bands perform at local parades and various community functions throughout the year. They also perform at boys and girls basketball games and all home football games.
